

The following instructions will assist you in purchasing and enrolling in the CFM Training Course and Exam.

1. Navigate to <https://pythia.learnupon.com/>.
2. Click the 'Add' button to add it to your Shopping Cart.
3. Click on the 'Shopping Cart' button in the upper-right corner of the site and then click 'Proceed to Cart'.
4. If you already have a Pythia account, fill in your credentials and click 'Sign In'. Then proceed to step 7.

If you don't have an account, you must fill out the create account form and submit.

5. Navigate back to <https://pythia.learnupon.com/>.
6. Click the 'Sign In' button in the upper-right corner of the site, input your credentials, and click submit.
7. Select your country and state using the drop-down menus and click 'Confirm'.
8. Click the green 'Checkout' button or scroll down and select Bulk Purchase.
9. Read the Paypal notice, and then click the 'Payment' button.
10. Complete the payment screen using your Paypal or credit card method.
11. Once you have completed your purchase, you will see the course under the 'Enrolled Courses' portion of your dashboard.
12. Navigate to the course and click the 'Start' button.
